

Mom's left her phone here. We'll have to walk to the kitchen to tell her to get us dinner

**Can you play with him for a while?
His battery died**

**I was sad I did not have a home,
till I met a man who did not have a phone**

**It's not a fitness fad.
They don't want to lose connectivity**

Oops, I think I've worn my laptop bag

He's so used to someone
carrying his files

Switch the Wi-Fi off
to check if the kids
are asleep

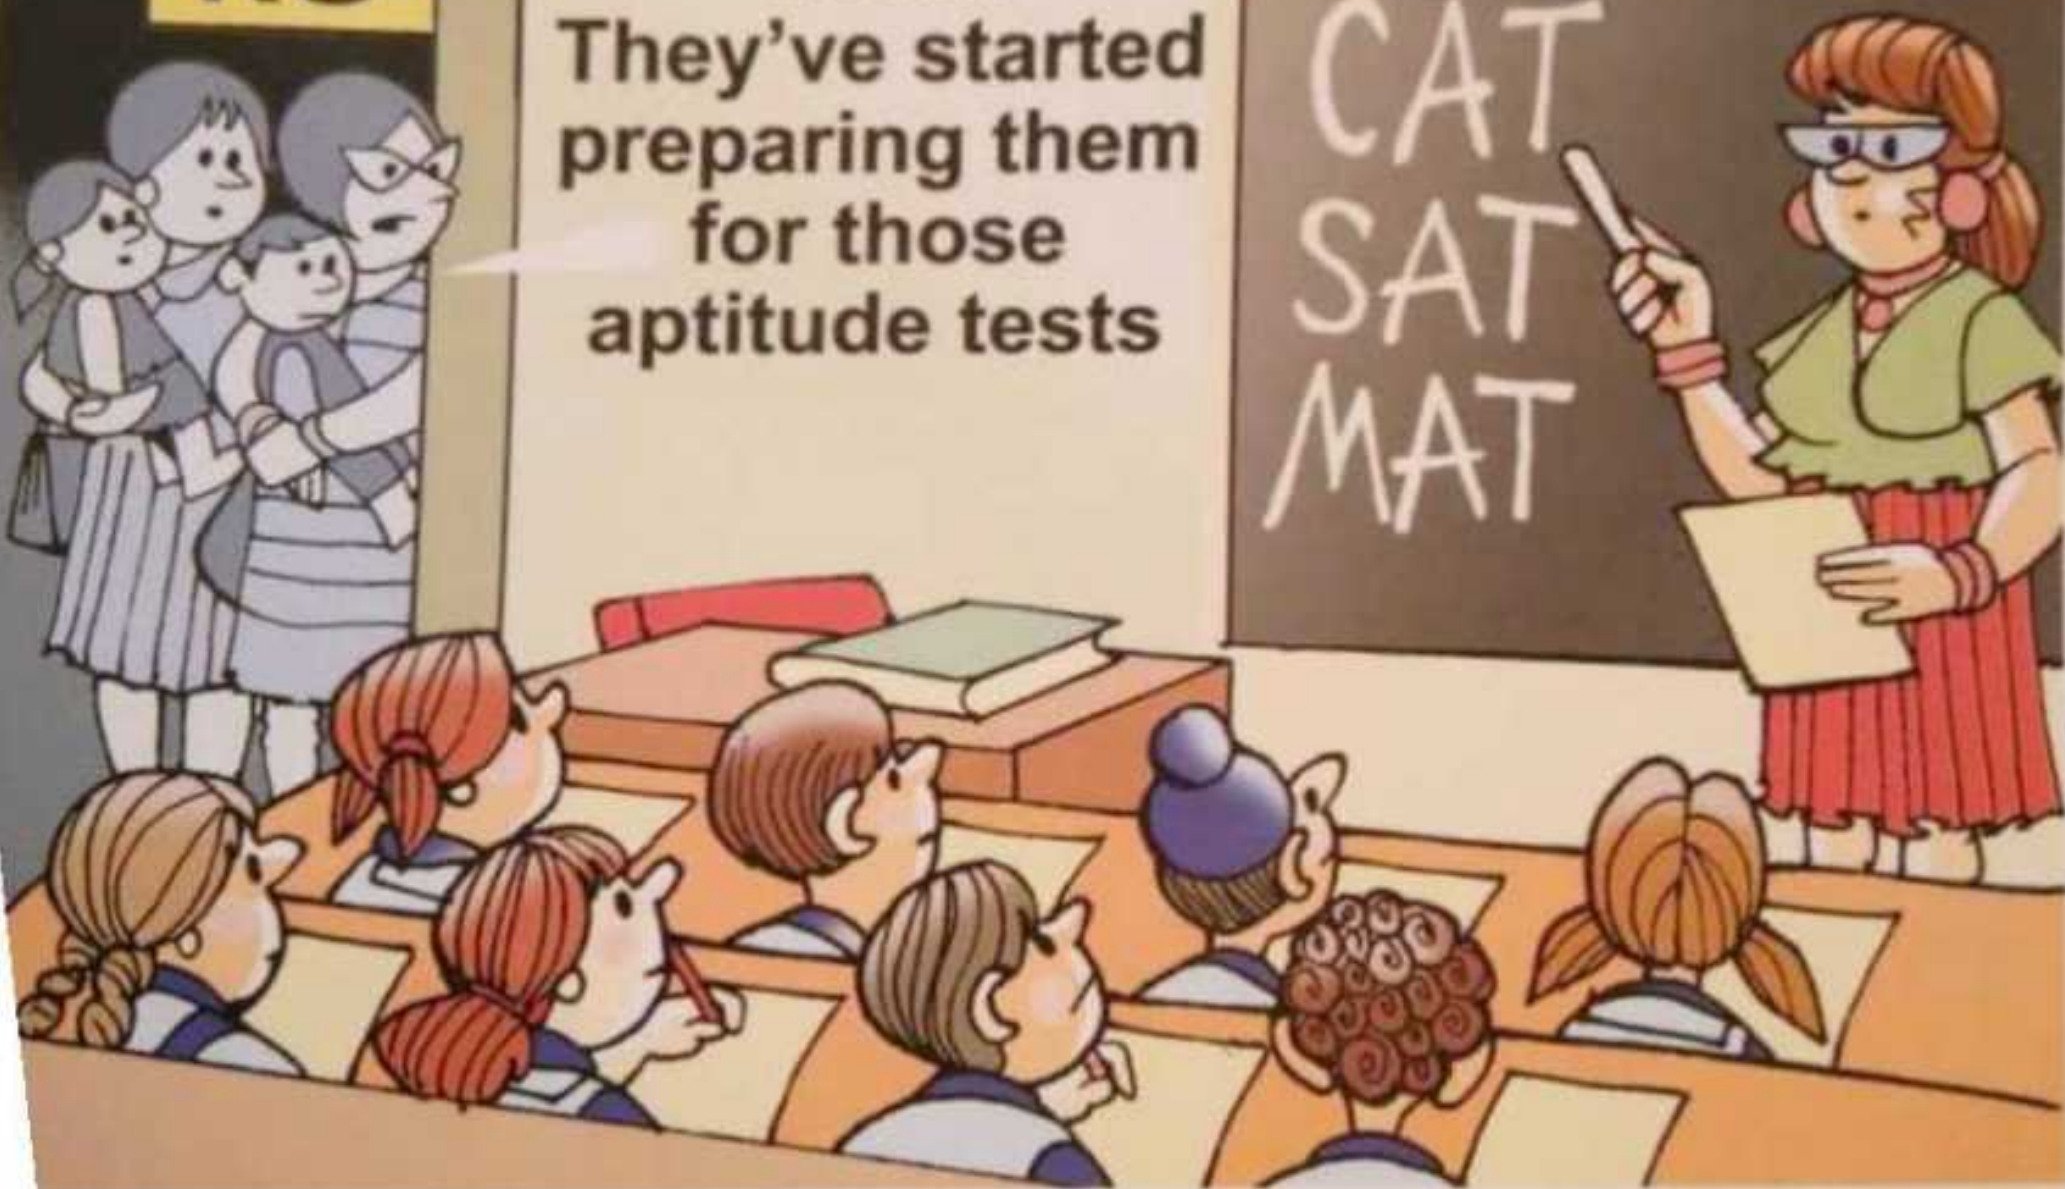

Say
something,
I've forgotten
what you
sound like

KG

Good!
They've started
preparing them
for those
aptitude tests

CAT
SAT
MAT

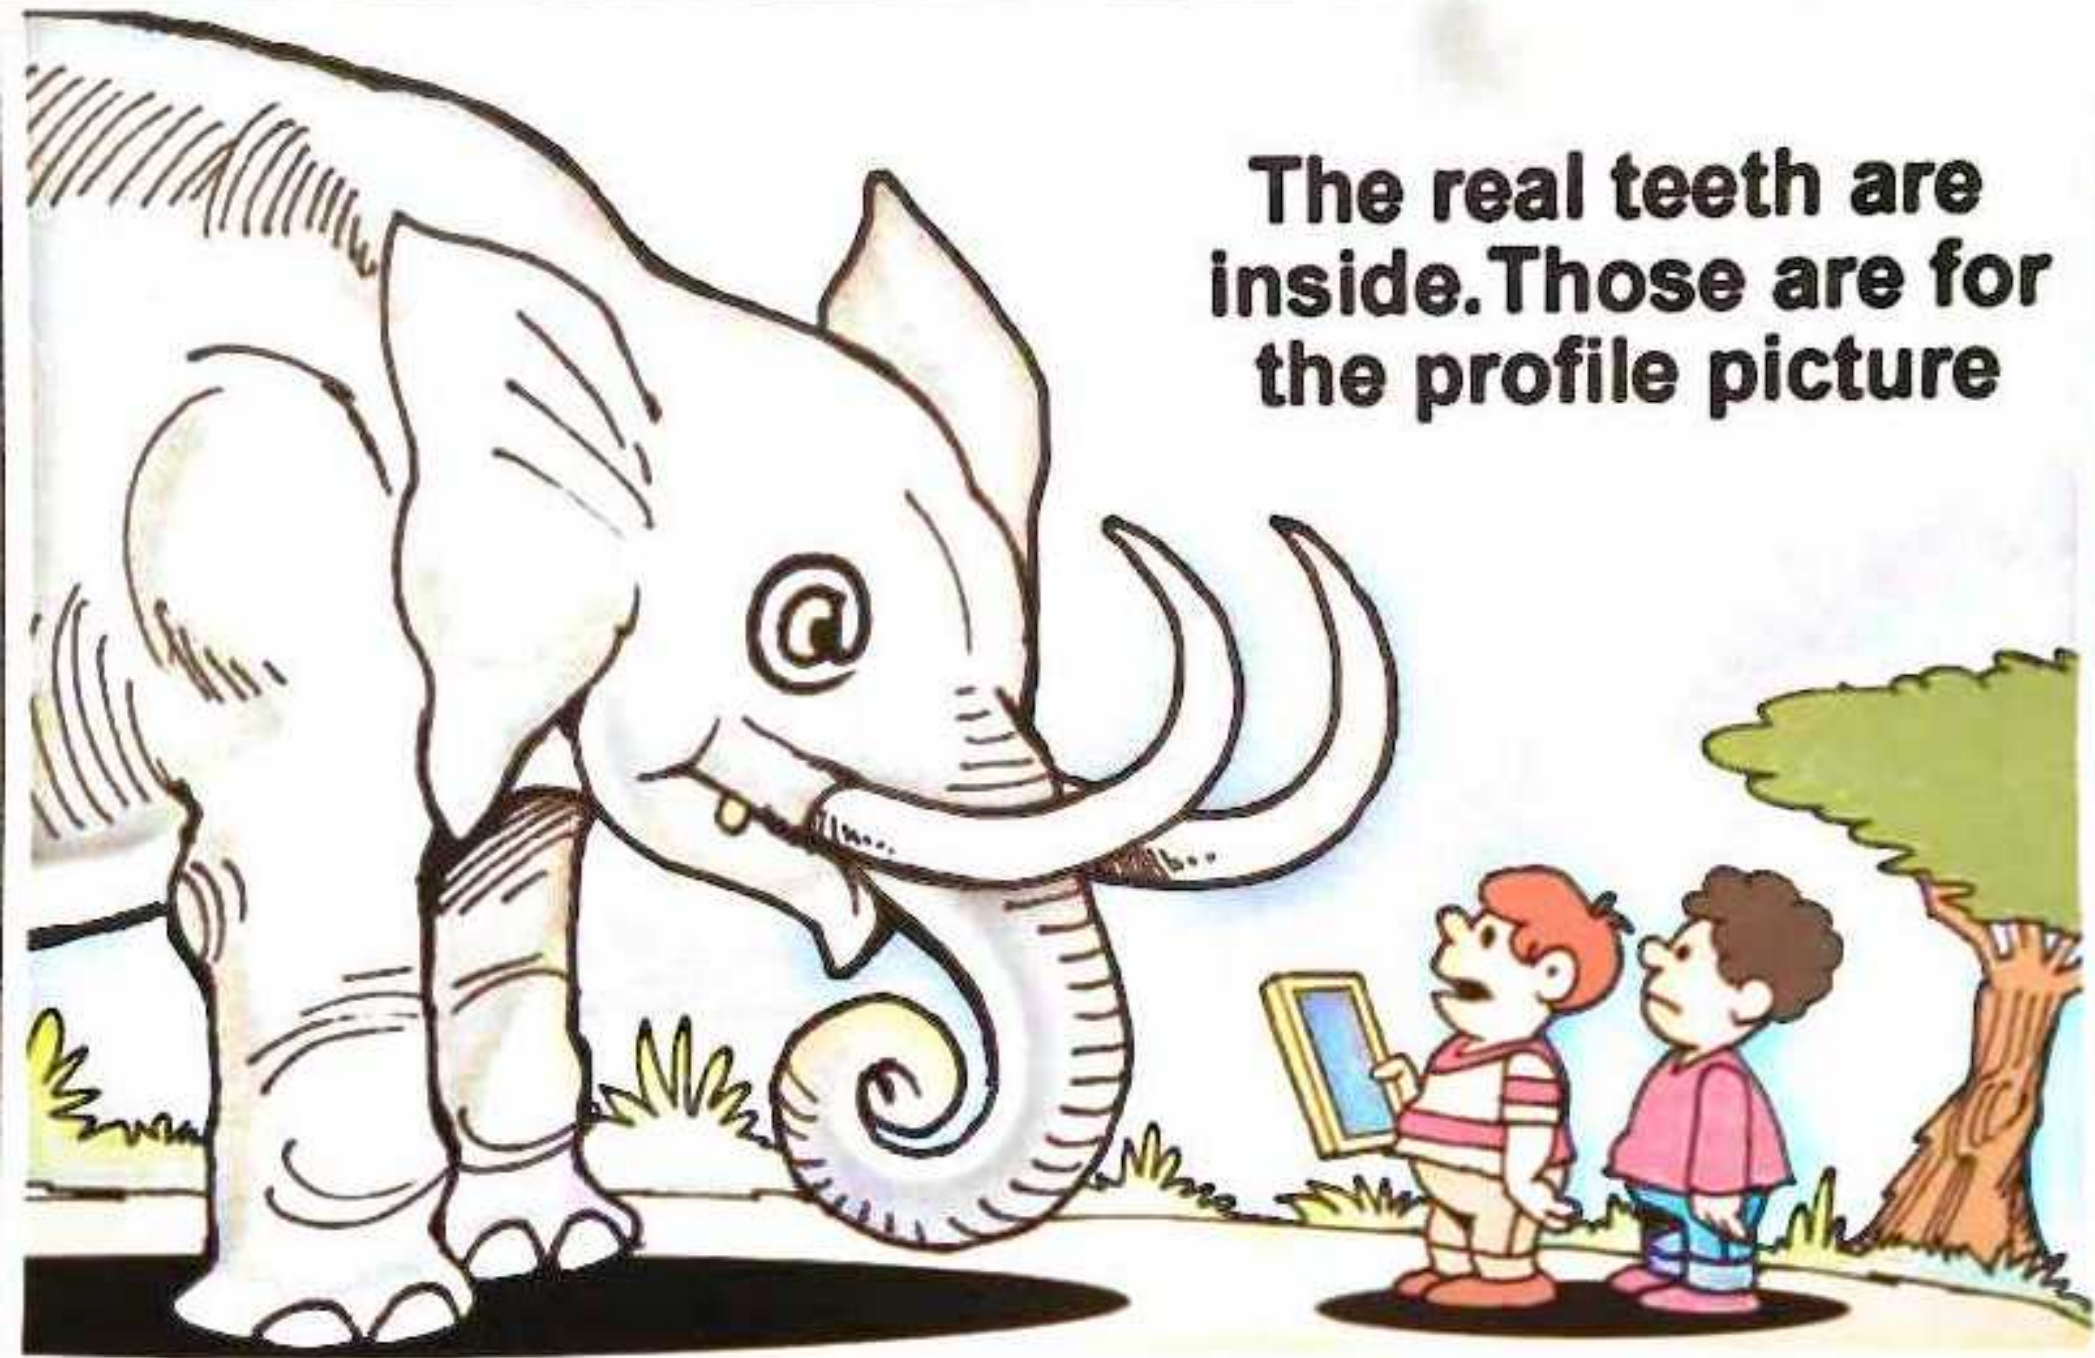

**Either he's gone—
or the net is down.**

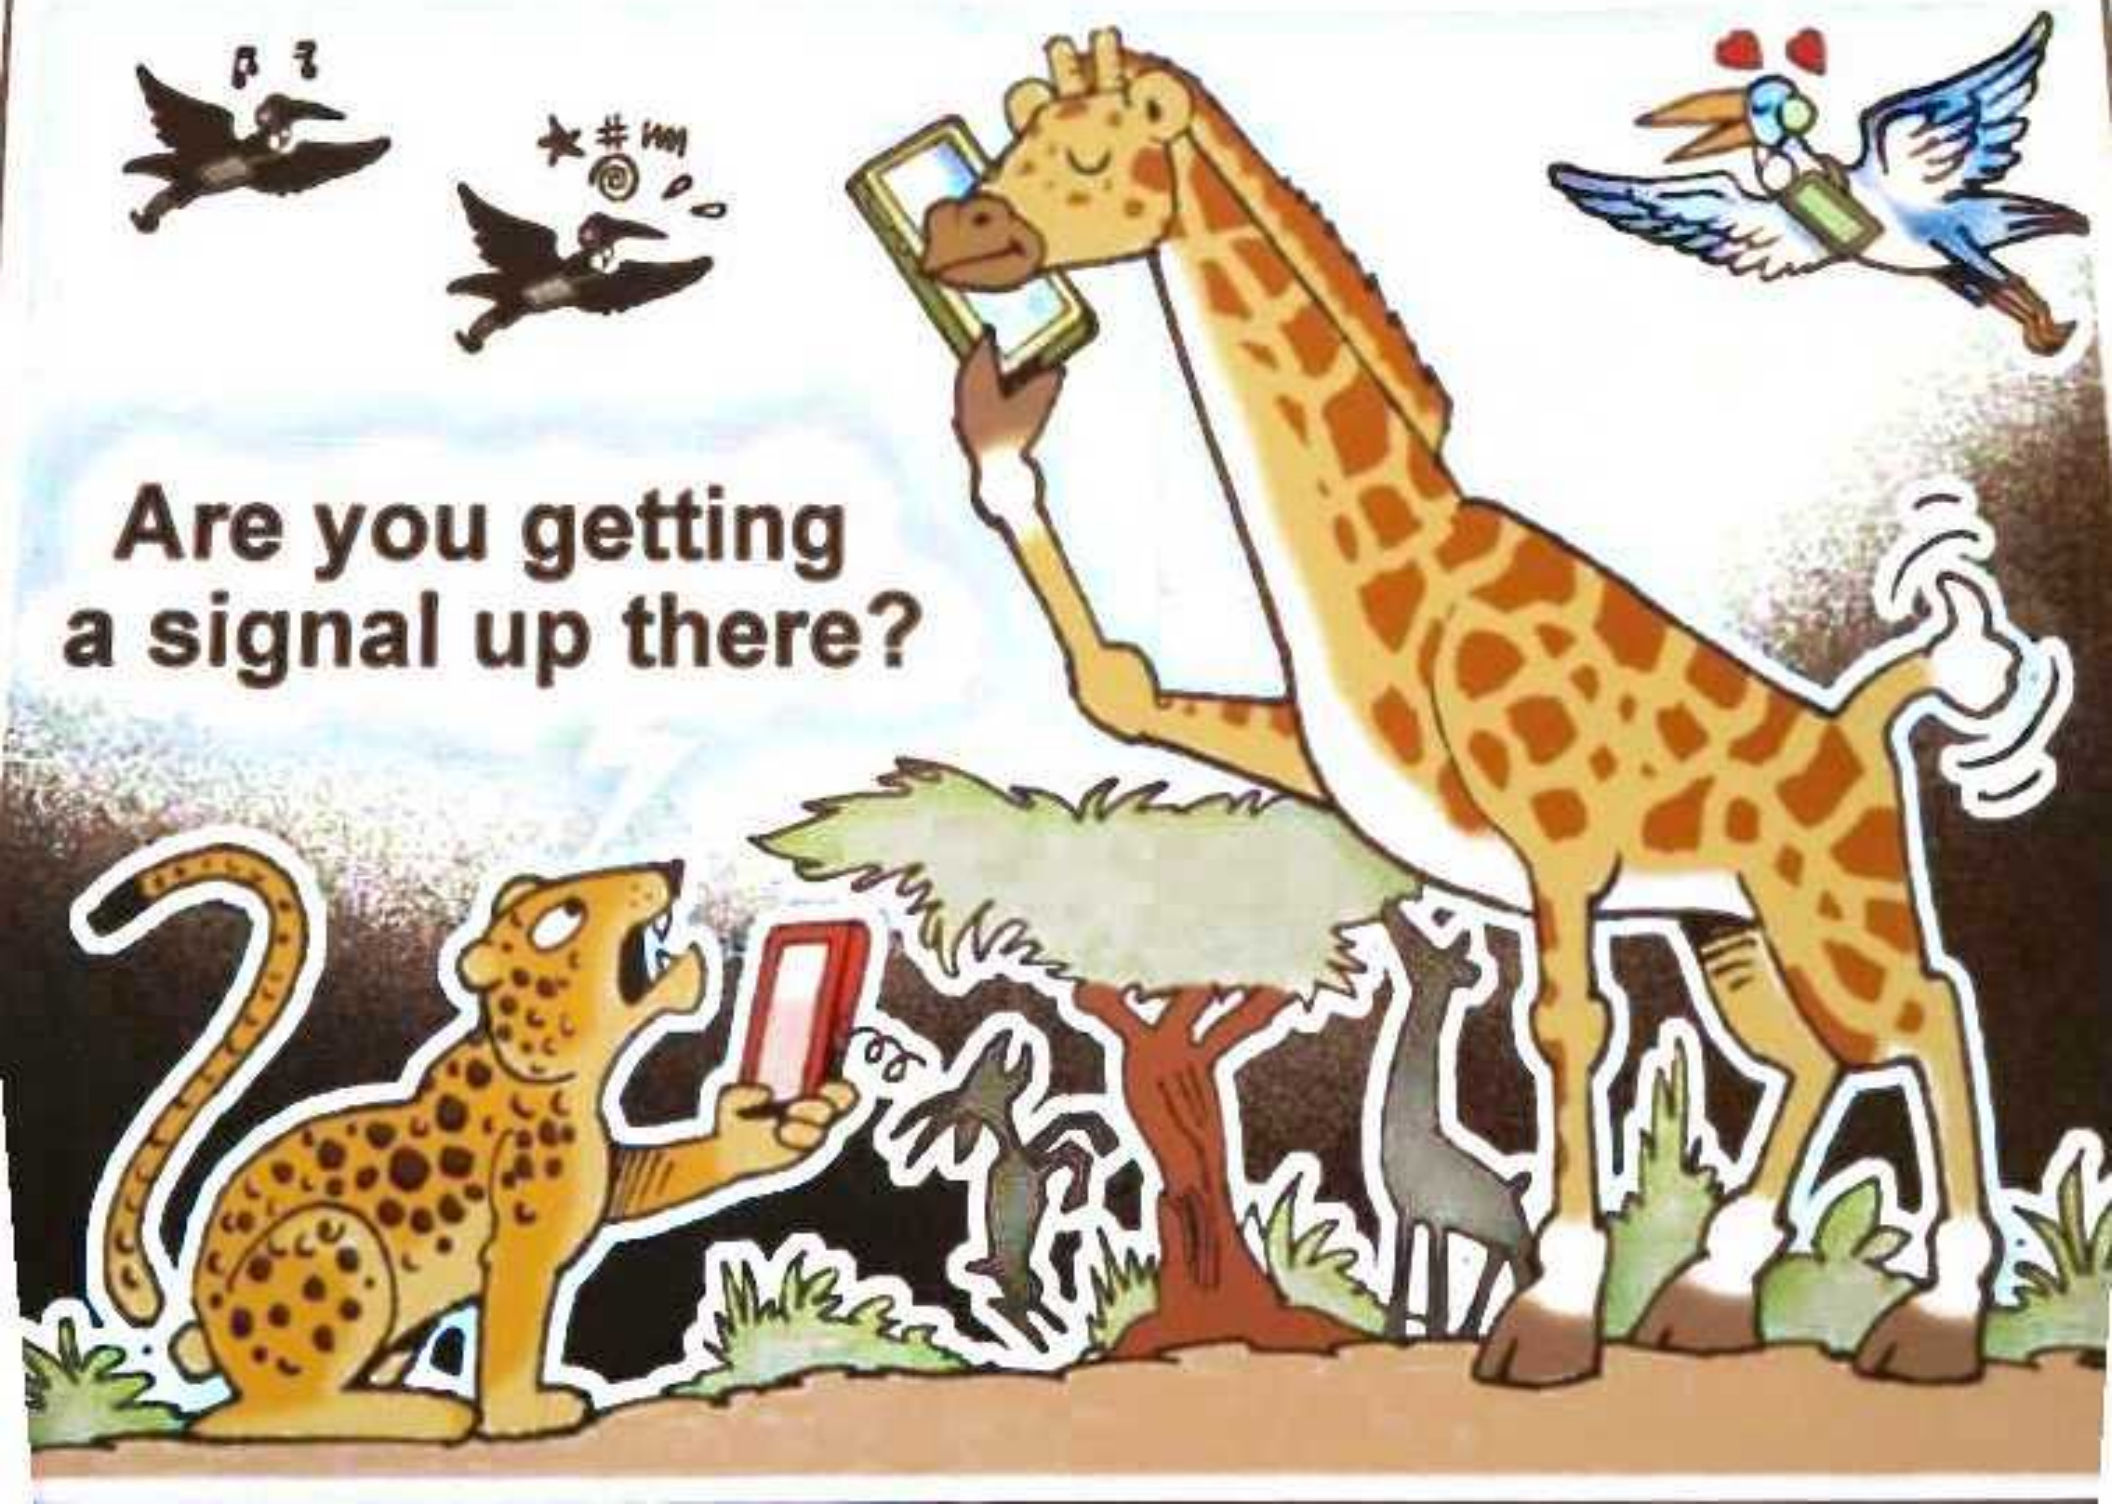

Buddha was right,
'an attachment leads to buffering'

**The real teeth are
inside. Those are for
the profile picture**

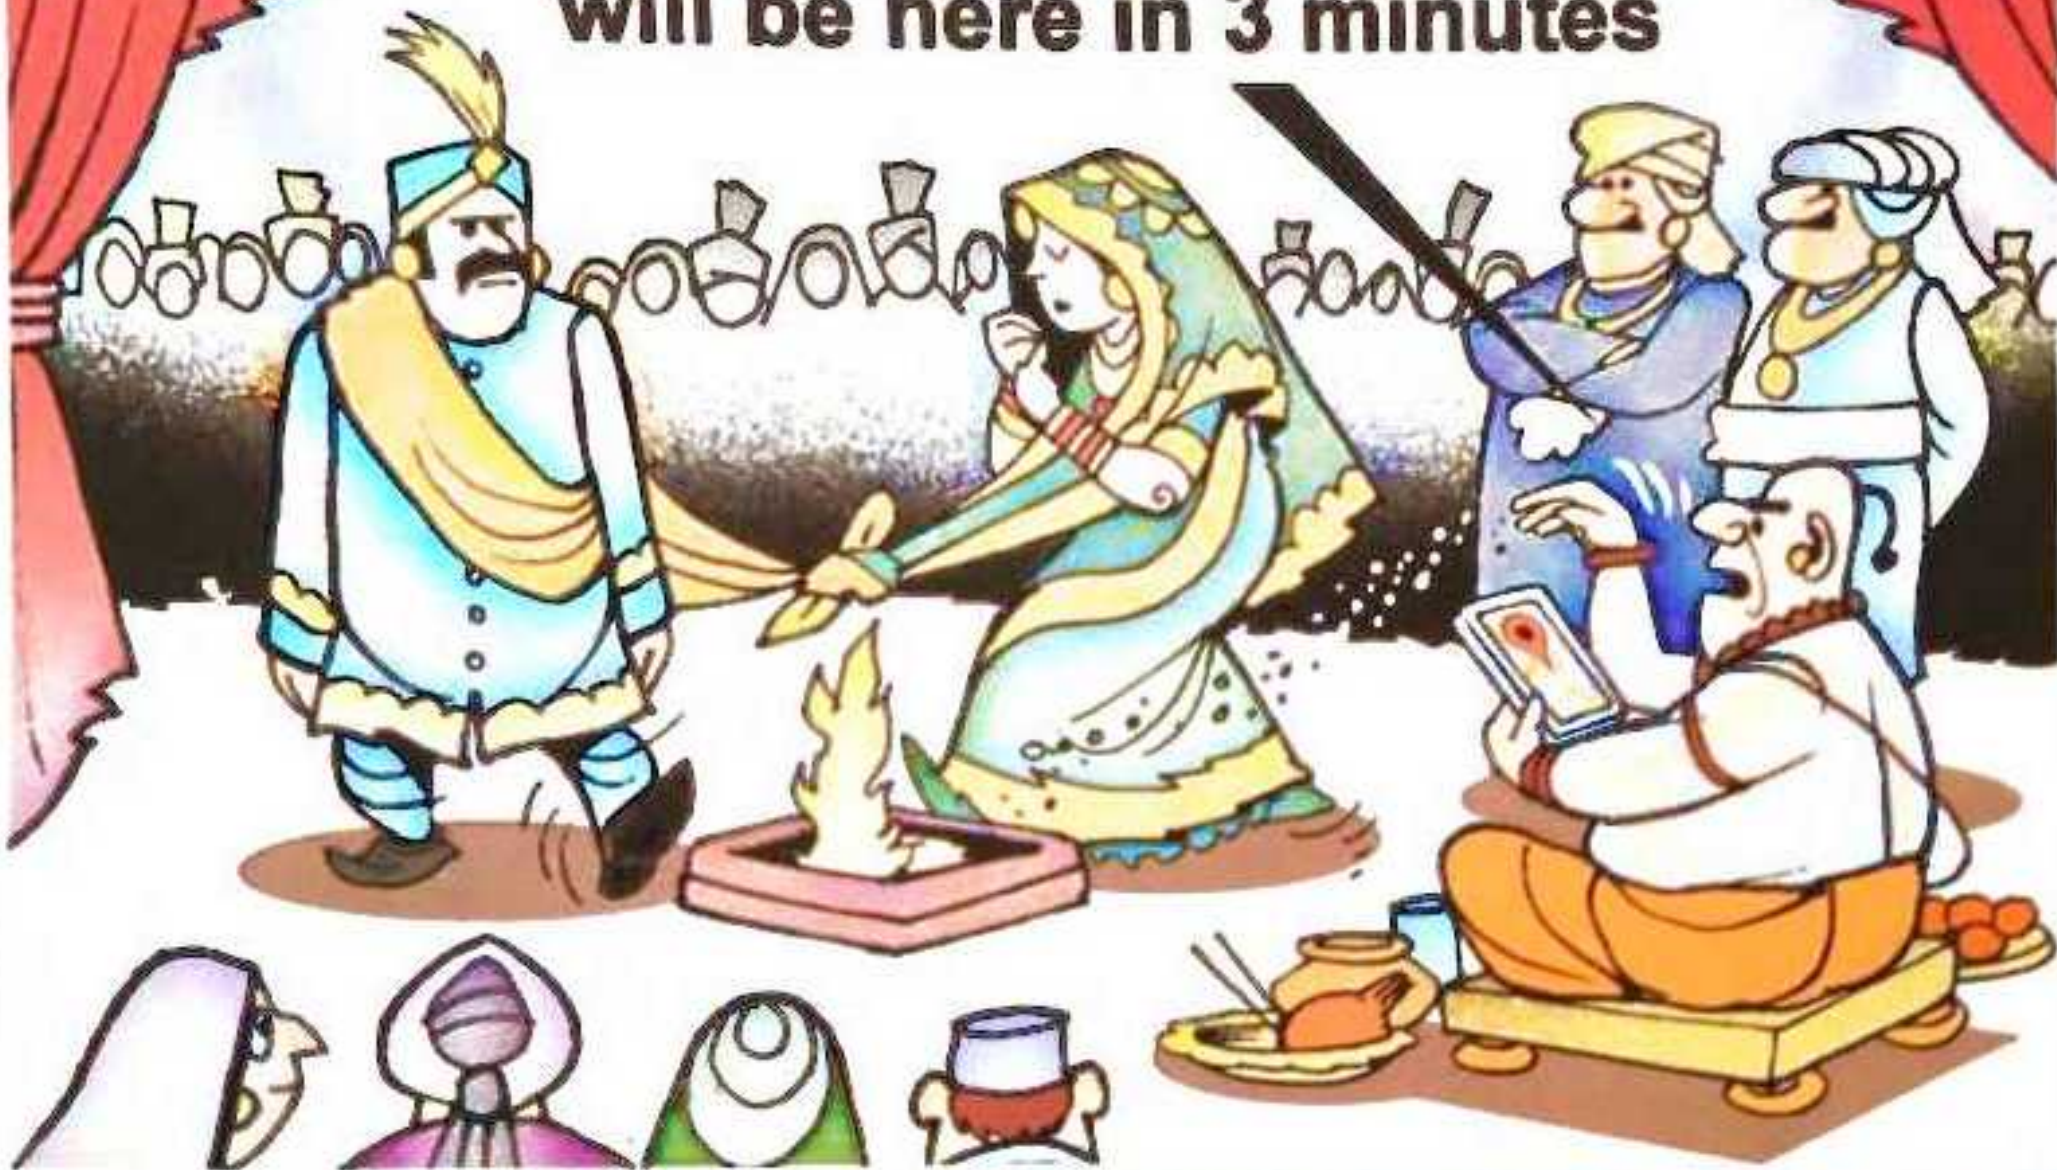

**Are you getting
a signal up there?**

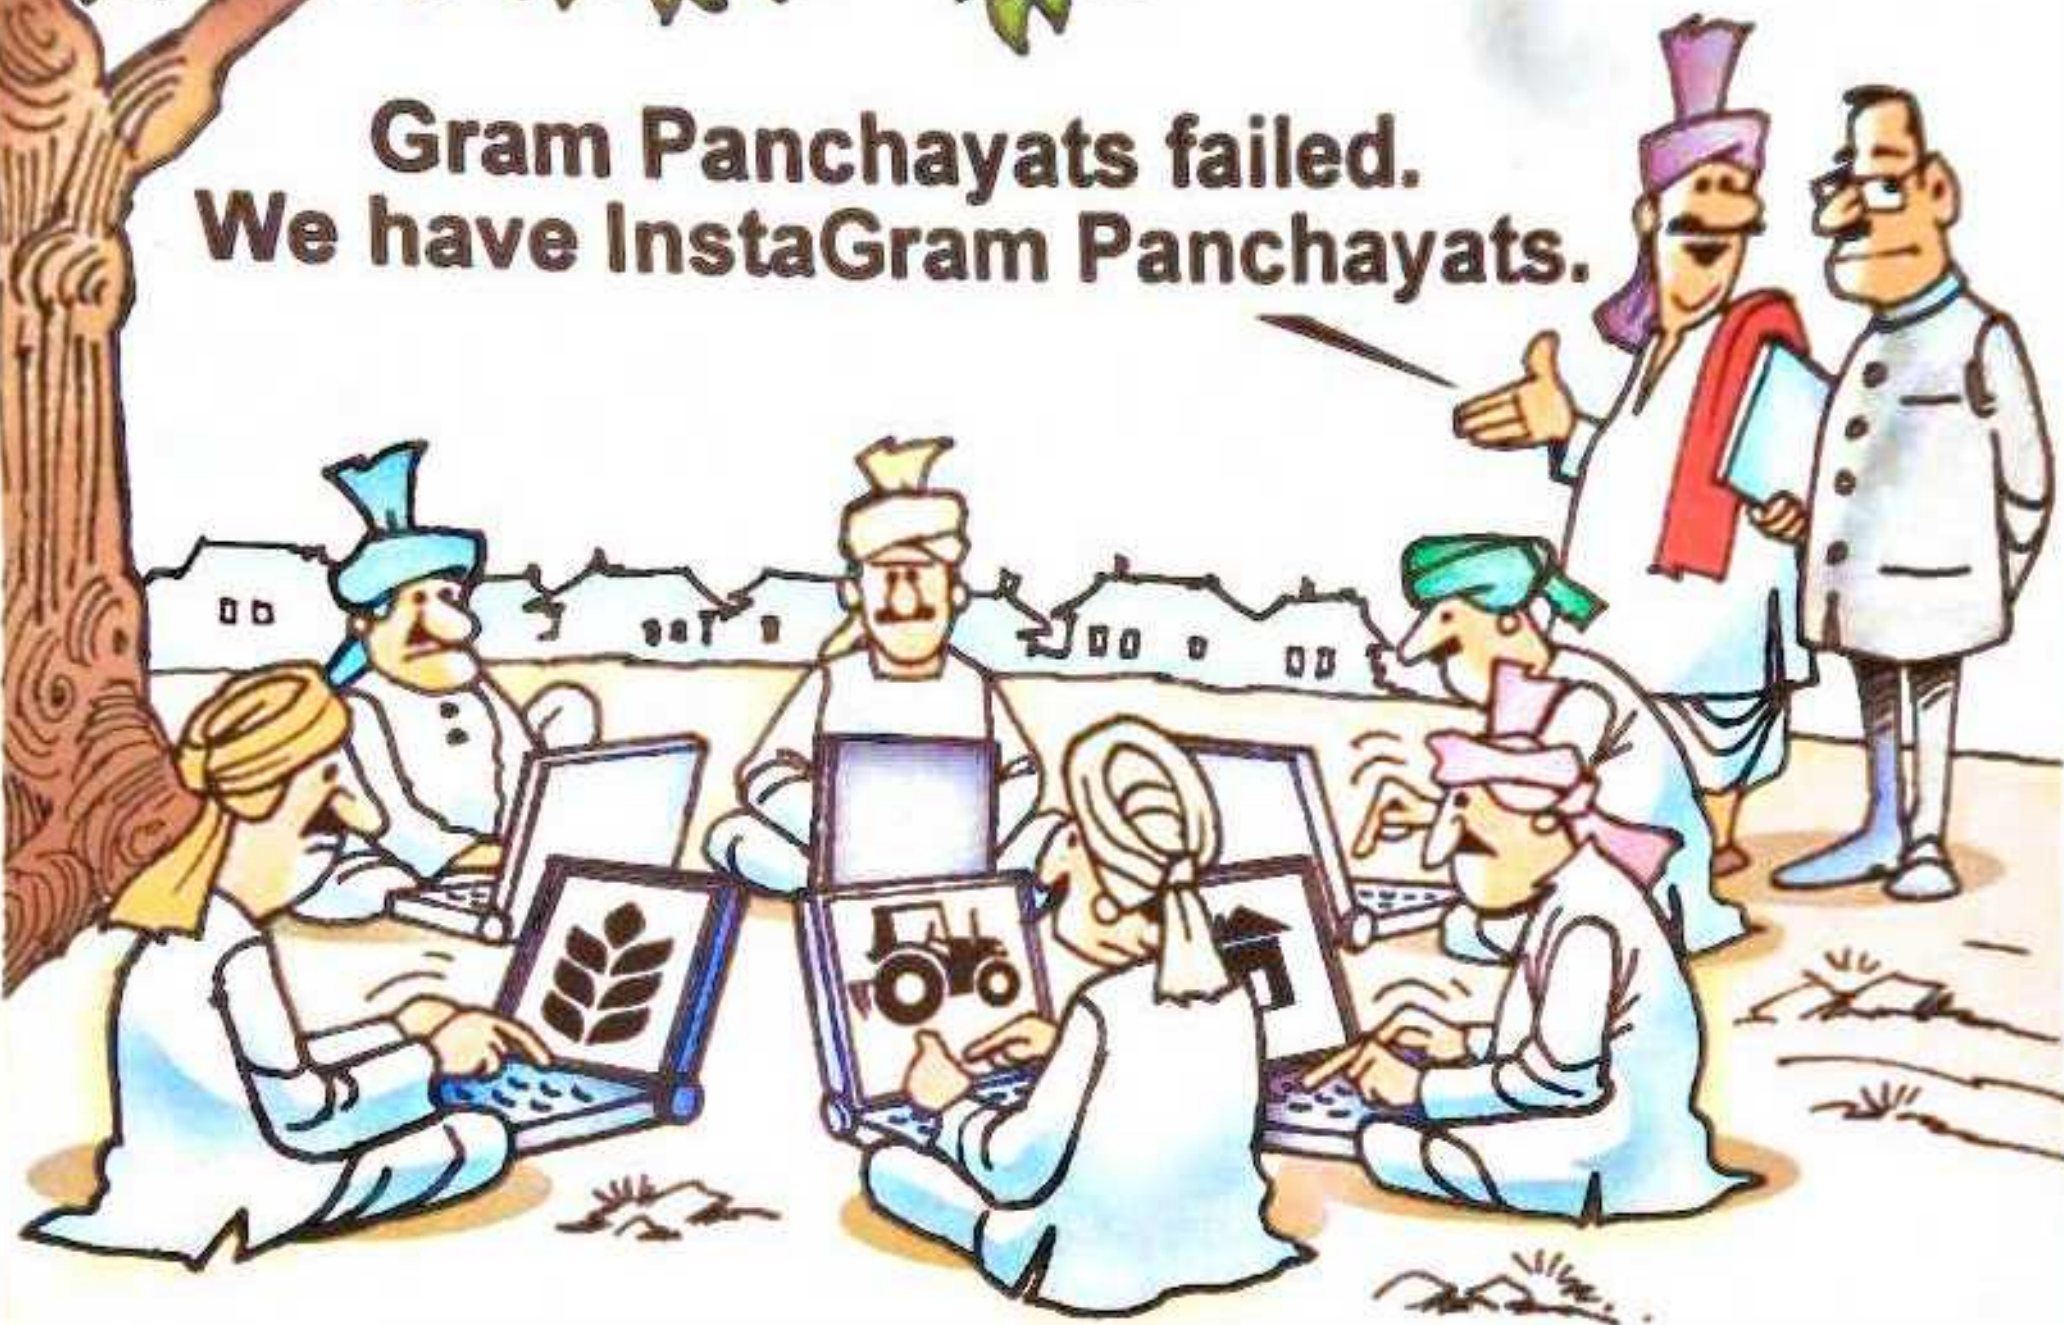

I don't care *what* Google says.
It is right because
I say so.

**Can you hurry up? My Uber
will be here in 3 minutes**

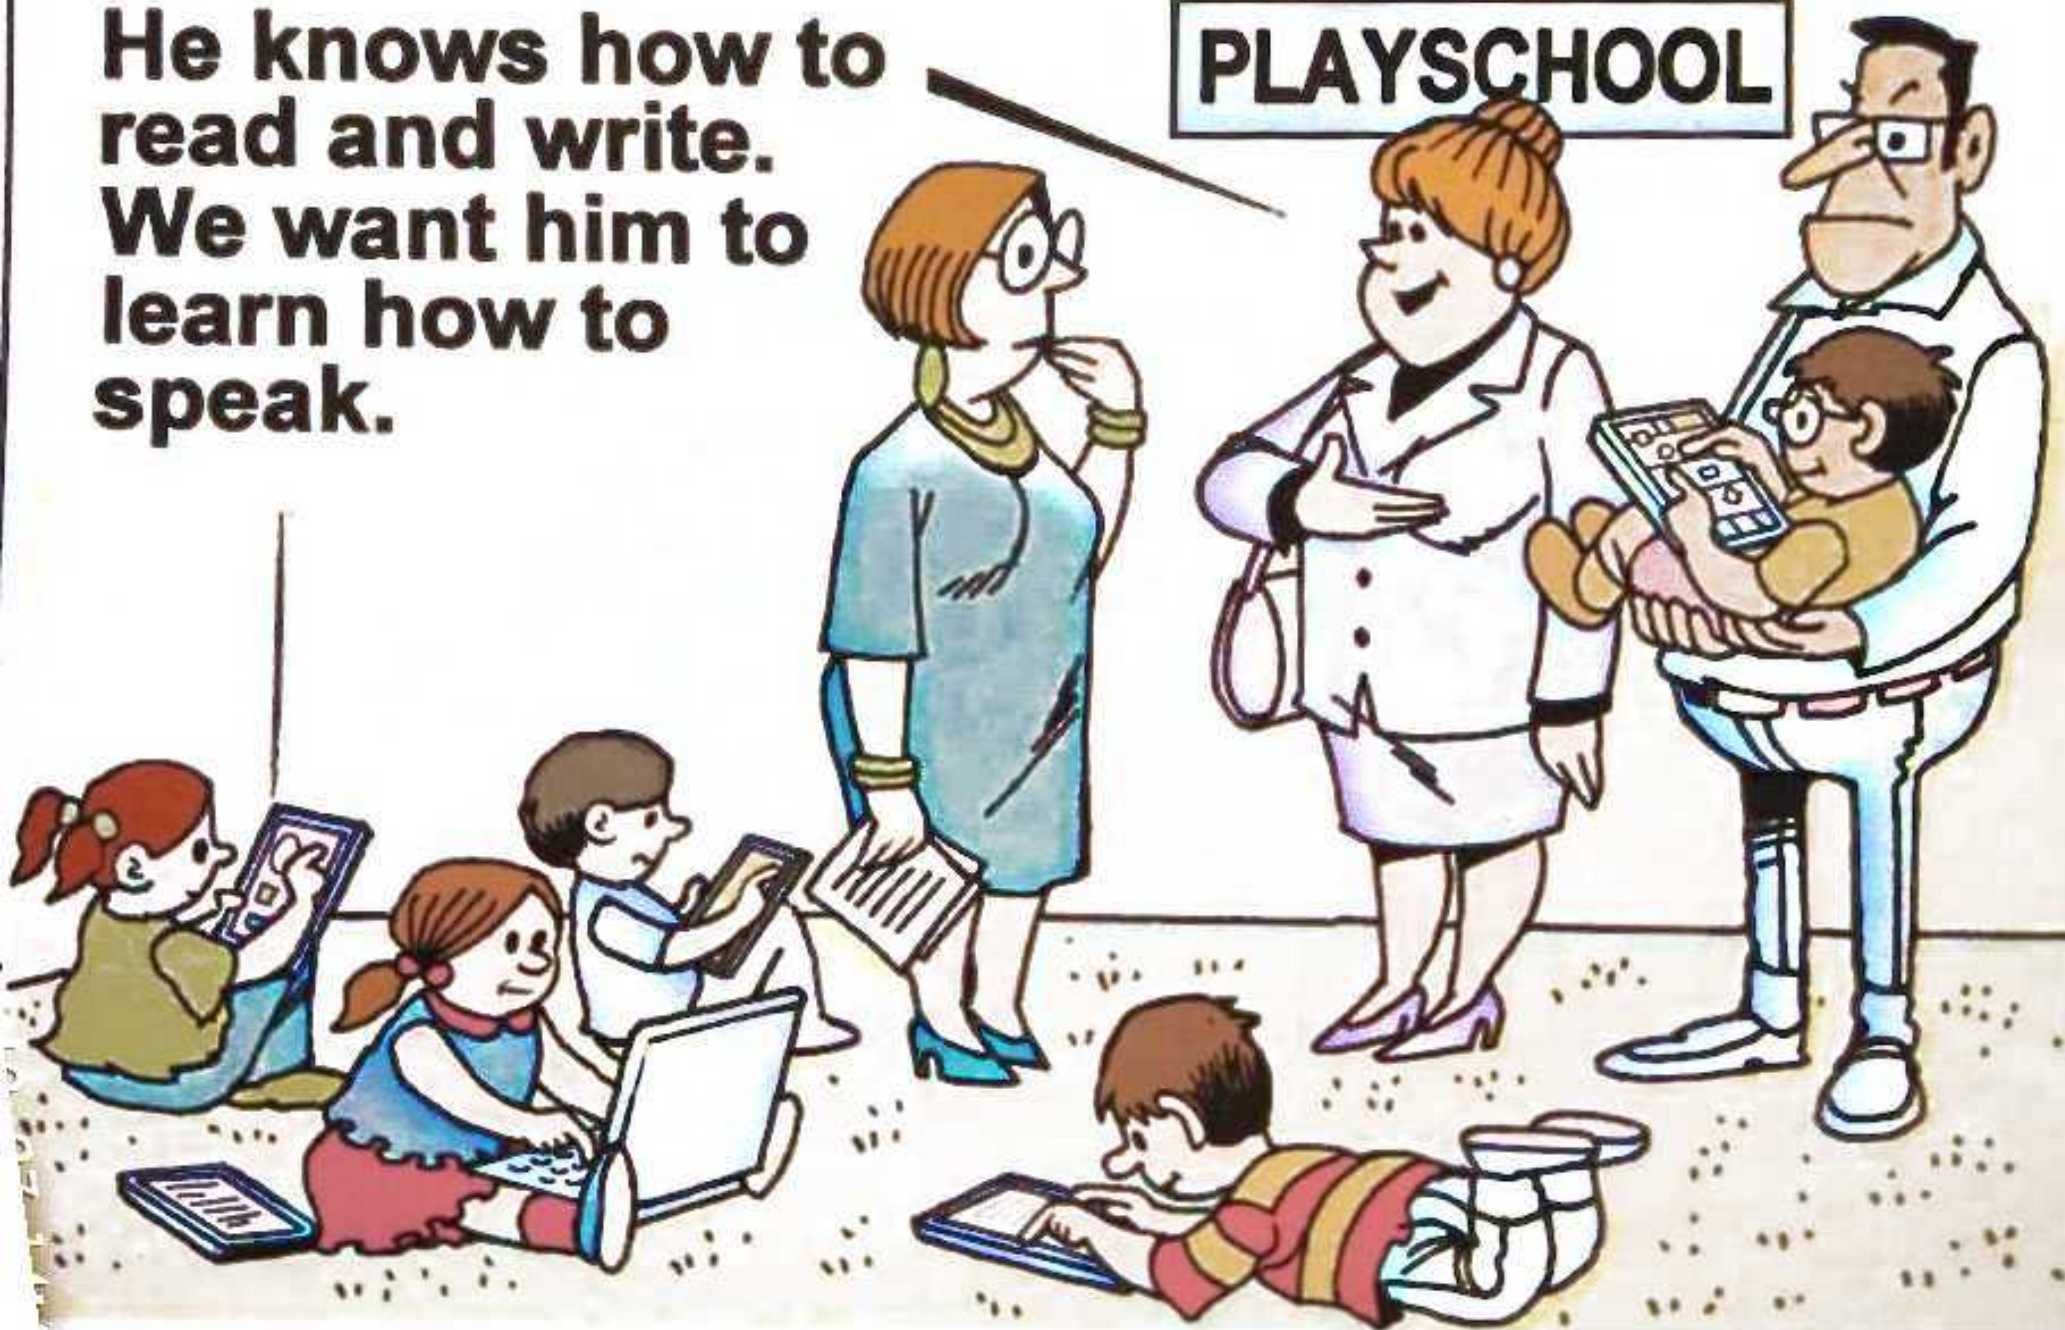

**Gram Panchayats failed.
We have InstaGram Panchayats.**

**He knows how to
read and write.
We want him to
learn how to
speak.**

PLAYSCHOOL

**She can't cook, but knows how to
order online**

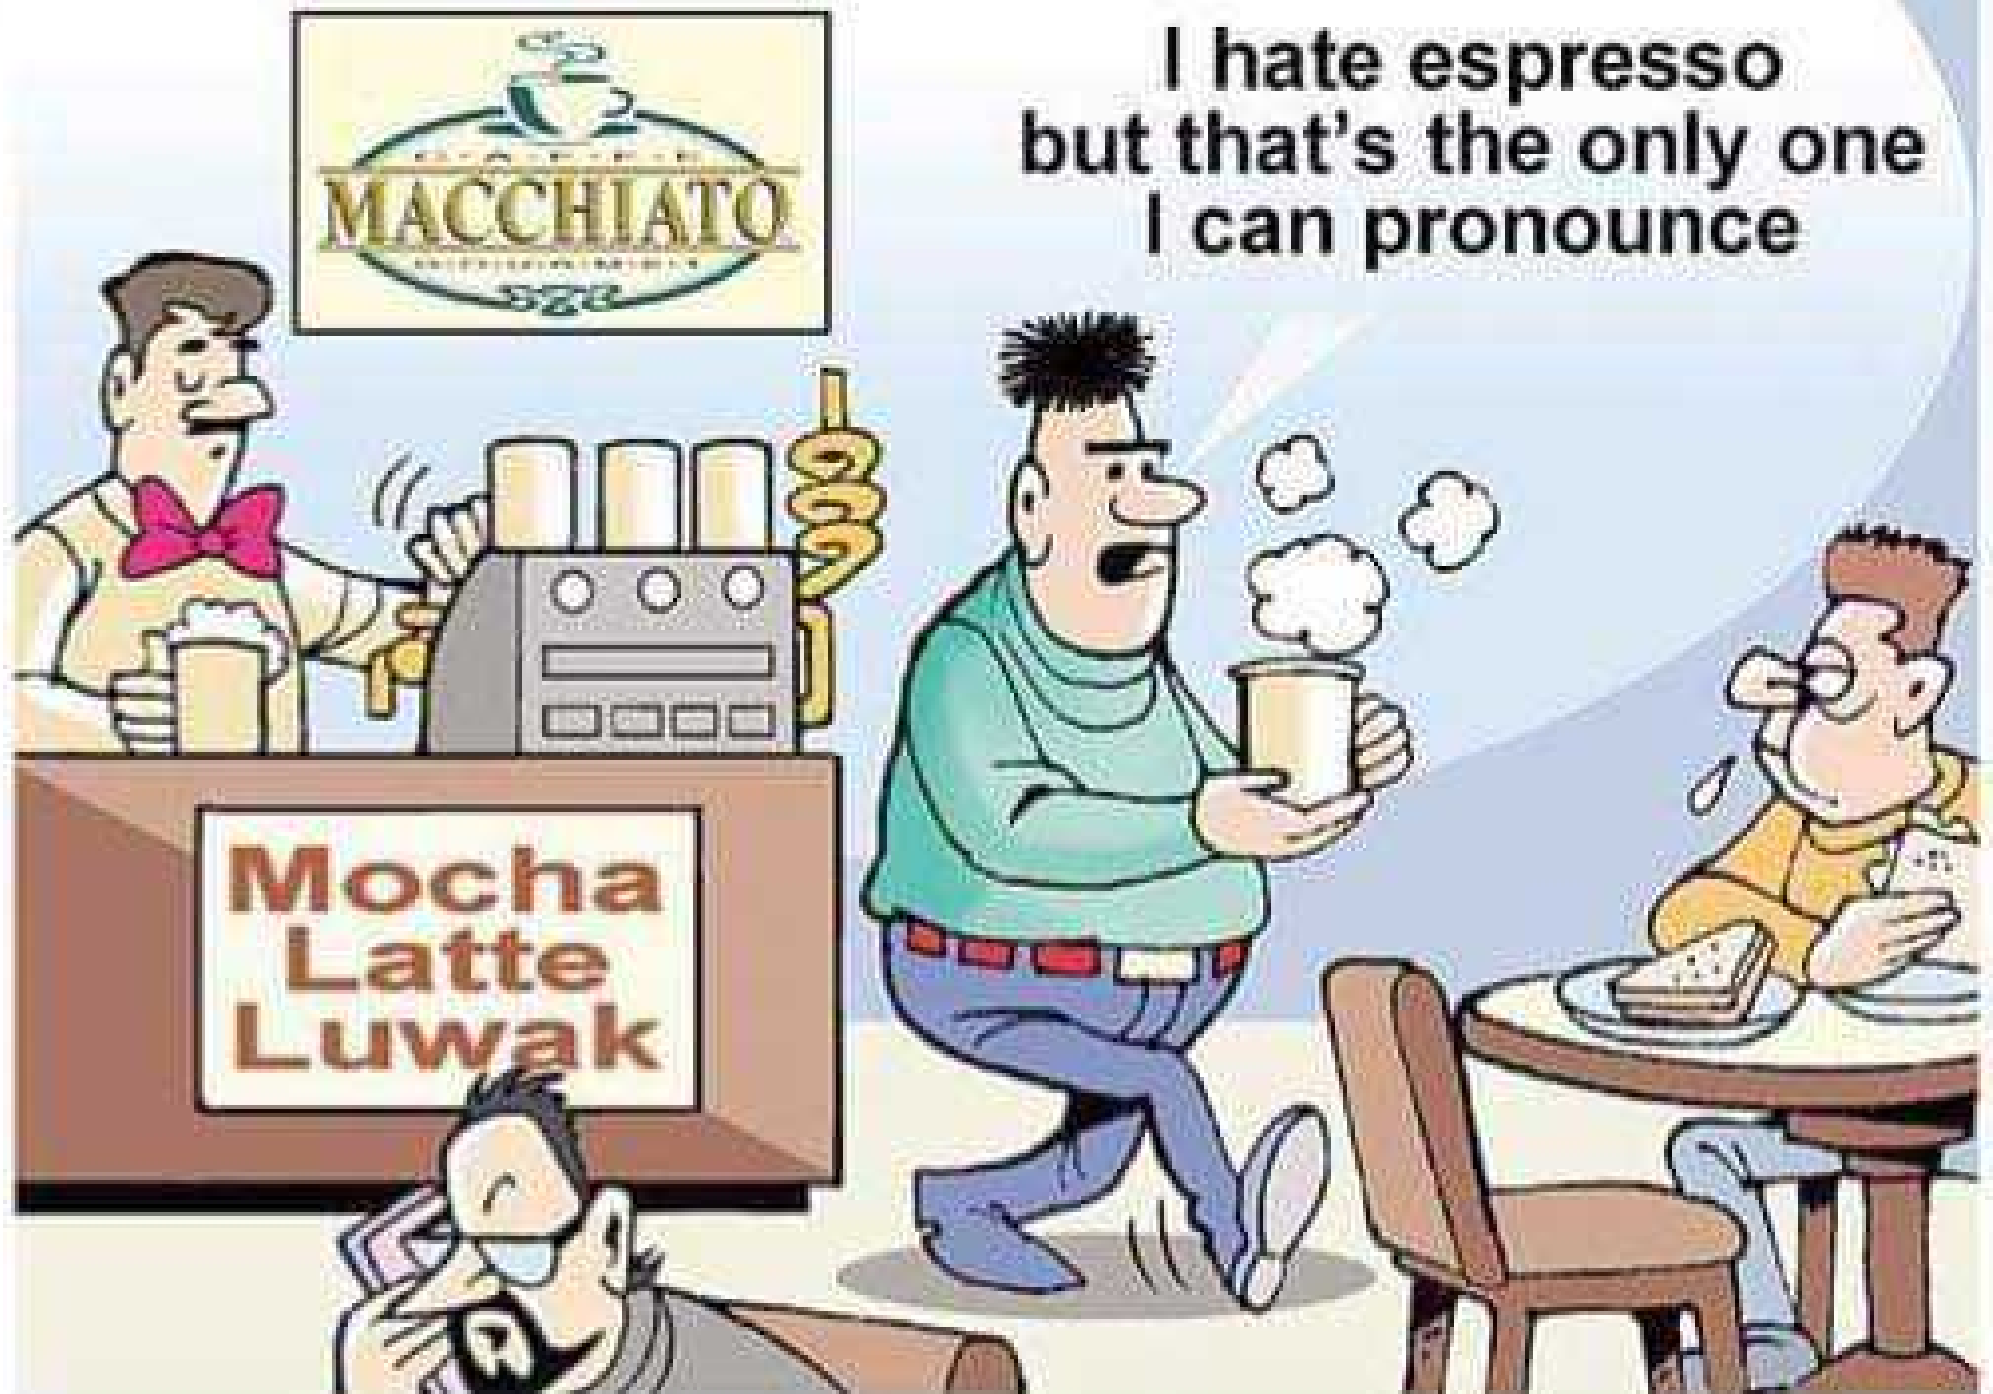

WAH! SO MANY PROMISES!
ARE YOU CONFIDENT OF
NOT COMING TO POWER?

How to catch Mallya

I hate espresso
but that's the only one
I can pronounce

**The items marked with
an asterisk look great
on Instagram**
